provided in this section. The court may also make such order for the payment for care and treatment as may be proper.

"3. After commitment, such person may be discharged by said court at any time when the court thinks it proper to do so. Any person so committed to such hospital or institution who fails to remain there, or who neglects or refuses to obey the rules and regulations of that institution, may, in the judgment of the superintendent, be isolated or separated from other persons and restrained from leaving the hospital or other institution."

**Tuberculosis—County Institutions for Care of Tuberculous Patients Authorized.**  
(Chap. 328, Act May 29, 1913.)

SECTION 1. Subsection 1 of section 1421-9, subsection 2 of section 1421-11, and subsection 2 of section 1421-14 of the statutes are amended to read:

"SEC. 1421-9. 1. The county board of supervisors of any county may, with the consent of the State board of control, purchase a site and establish or provide a building or shack for the treatment of persons suffering from tuberculosis in the advanced or secondary stages. No building or shack shall be so constructed until after the site has been approved by the State board of control.

"SEC. 1421-11. 2. Such trustees shall serve without compensation, except that they shall receive their actual expenses in the performance of their duties. The trustees shall appoint in all counties, except those counties having a population of over 300,000, as superintendent of such institution a graduate trained nurse and also a visiting physician for such institution and fix their compensation. In counties having a population of more than 300,000 the trustees shall appoint a medical superintendent and fix his compensation. The trustees shall designate the number of employees of such institution and fix the compensation of such employees. The employees shall be selected by the superintendent, subject to the confirmation of the board of trustees.

"SEC. 1421-14. 2. Whenever any such institution is completed, according to the plans and specifications approved by the State board of control, such board shall cause a certificate of that fact, signed by the president and secretary thereof, to be filed with the secretary of state, and thereafter any county which shall create such an institution shall receive from the State for each person cared for at public expense such amounts as are provided for by law."

SEC. 2. Subsection 4 of section 1421-14 of the statutes is repealed.

SEC. 3. There is added to the statutes a new section to read:

"SEC. 172-120. The amount contributed as State aid for tuberculosis in the advanced or secondary stages in county institutions to carry into effect the provisions of section 1421-14 shall not exceed \$50,000 annually, and such aid shall be apportioned among the various county institutions in proportion to the number of patients in each institution during the year ending on the 30th day of June: *Provided*, That there shall not be allowed more than \$5 a week per patient for the number of weeks such patients shall be a resident of such institution."

**Tuberculosis—Care of Insane Patients. (Chap. 227, Act May 13, 1913.)**

SECTION 1. There is added to the statutes a new section to read:

"SEC. 587*d*. The State board of control of Wisconsin is hereby authorized to make provision for the segregation, care, and treatment of tubercular-insane patients in the State and northern hospitals for the insane, and for that purpose said board is authorized to set apart one ward for male patients and one ward for female patients, in the hospitals for the insane, and to properly equip
